University of Bath
EC10003 – Introductory Statistics

Additional Notes: Class2

(1) Question 12 should read "...only TWO out of ten children born in the..."

(2) For those of you who have the 5th edition, please see the below table (note, not all are included here and there are additional questions in the 6th ed.. It's always best to check yourself too in case I've made a mistake!) Hope this helps.

6th Edition Question Number	5th Edition Question Number
4.36	4.19
4.42	4.25
4.44	2.27
4.35	4.18
4.31	4.14
